PURSUING GOD!

Part 2

Drawing Nearer Still

A Journey of Deeper Surrender and Abiding Presence

My soul yearns, even faints,
for the courts of the Lords;
my heart and flesh cry out
for the living God.
Psalm 84:2 (NIV)

As we continue our sacred **Pursuing God** journey, we are invited to *draw nearer still* into a life of deeper *surrender*, renewed *faith*, and *holy communion with Him*.

In **Part 1**, we began by responding to the longing of our souls: To know God more deeply, to worship Him in spirit and in truth, and to recognise the One who has been pursuing us all along.

Now, in **Part 2**, we will continue walking through **A.W. Tozer's** timeless devotional, ***The Pursuit of God– A 31 Day Experience***, allowing the Lord to lead us beyond longing into deeper surrender, greater awareness of His presence, and a more intimate walk with Jesus.

Together, we will reflect on what it means to *behold Christ with the eyes of our hearts, to hear God's voice, to live by faith, to release inner burdens, to exalt Jesus above all else, and to cultivate a continual awareness of His presence* in our daily lives.

Remember: *The One we pursue is faithful to reveal Himself to those who seek Him wholeheartedly.*
