BEHOLDING JESUS · BECOMING WHOLE

A Monthly Online Gathering of Heart, Truth, and Transformation

I am the door. If anyone enters by Me, he will be saved,
and will go in and out and find pasture.
John 10:9 (NKJV)

Please join us for our **September Coffee Connect Chat**.

As we continue **beholding Jesus** through His **I AM statements**, this month we pause to consider what it means when Jesus says:

"I AM the Gate."
(John 10:9)

A new season is unfolding and we are invited to step forward with confidence. Not striving to find our own way, but entering through the **One who is the Way**.

During our **Coffee Connect Chat**, we behold Jesus as **the Gateway**. Our place of safety, belonging, and provision. In every transition, every open or closed door, He stands as our Protector and Guide, leading us into the fullness of life **found in Him**.

If you are facing change, seeking direction, or longing for deeper peace and assurance, come join us and discover the love of our Father afresh.

Come and be reminded that in Christ, you are safe, welcomed, and fully provided for.
