BEHOLDING JESUS · BECOMING WHOLE

A Monthly Online Gathering of Heart, Truth, and Transformation

"I am the Root and the Offspring of David,
the Bright and Morning Star."
Revelation 22:16 (NKJV)

You are warmly invited to join our **December Coffee Connect Chat**.

As we come to the close of our **Beholding Jesus · Becoming Whole** journey, this month we pause to behold **Jesus' I AM Statement**:

"I AM the Bright Morning Star."
(Revelation 22:16)

The **Bright Morning Star** reminds us that even when the night feels long, **His light** still rises. Jesus is our **Light** and our **Prince of Peace**. His presence brings *hope* where there has been darkness, *comfort* where there has been sorrow, and *peace* where there has been chaos.

As we reflect on the year behind us and prepare our hearts for the year ahead, let us pause to receive Jesus' perfect peace and fix our eyes on the One whose light never fades. And let us discover what it means to walk as **children of light**—*filled with peace, awakened to hope, and shining with His glory.*

Come and be reminded that even in the darkest night, the Bright Morning Star still shines.

May God's peace guard your heart, may His light guide your steps, and may His hope carry you into the dawn of a new season.
